

## ABOUT US

There is a natural longing in human nature for an ideal society. We see this longing expressed from our students to have a society of peaceful, high-minded human beings living together in friendliness, cooperation, and harmony... the idea of a state where human perfection exists, and where all people are honest, truthful, innocent, and kind.

Citter Koyil and TYOGA Kurukulam are an environment of practices that propagate the Citter Teachings to support Human Beings to lead a Better Life...one with True Purpose. Our development of a Spiritual Community at Chidambaram, Tamil Nadu, India...the ancient land of Citters that exists.

Experience the joy of living in a Citter spiritual community.

## Citter Spiritual Community

Our Spiritual Community at Chidambaram is an ideal place to retire and be a part of an ancient Tamil Tradition of the Citters, their Teachings and Lifestyle Management and to invite spirituality into all areas of daily life. A Lifestyle and discipline dedicated to high thinking and practices such as kindness, respect, and simple living.

Citter's Community functions within a spiritual, cooperative community as it incorporates spiritual practices, fellowship, and devotion into all facets of life. Immersion within this uplifting environment enables you as a karma yogi to experience deeper levels of soul awakening.

# சித்தர் Citter COMMUNITY FOR YOU

A Special Unique One-Of-Its Kind Spiritual Citter Community in Chidambaram, to be a part off. It is all about the Citter Tradition.

A retirement opportunity for YOU!

## MEMBERS

The name Chidambaram is derived from the Tamil expression 'Chitrabalam' which means "wisdom atmosphere". The roots are citta or chitthu means consciousness or wisdom while and ambalam means "atmosphere."

It is within this atmosphere that our Citter Community in Tamil Nadu is being developed, for a chosen select group of people seeking a 'Spiritual Journey' within the Tamil Citter System. The Core 'Design' is based on a Spiritual atmosphere for 'Simple Living & Hight Thinking' Lifestyle for our Community Members.

The Community Infrastructure is designed on International standards based on a Citter Living Style & Management.

Members are Carefully Chosen Based on their Background and their Abilities to Deliver Compassionately.

## OUR FEATURES

- 01 Enhanced spiritual growth and understanding. ... feel a higher sense of purpose, peace, hope, and meaning.
- 02 Greater peace and calmness. ... it can help you make sense of your experiences and purpose in life.
